

Profile

I'm a passionate UI/UX Designer with an Engineering Degree from Kathmandu, Nepal who loves graphic designing, I design and craft products and visual experiences from the user research to the high-fidelity design with more than 1 year of experience. My interest in design field sparked during pursuing the degree.

Apart from my interest in technology, I have a passion for traveling, drawing, playing video games, listening to music, learning new things, and taking on thrilling challenges. Additionally, I consider myself a food enthusiast who enjoys trying out different cuisines at all times.
